

In a stream of pee,
On a toilet boat.
Good-bye, good-bye,
good-bye.

Ui, Ui, Ui Johnson

Ui, Ui, Ui Johnson

Ui, Ui, Ui Johnson

Ui, Ui, Ui Johnson

Ui, Ui, Ui, Ui!

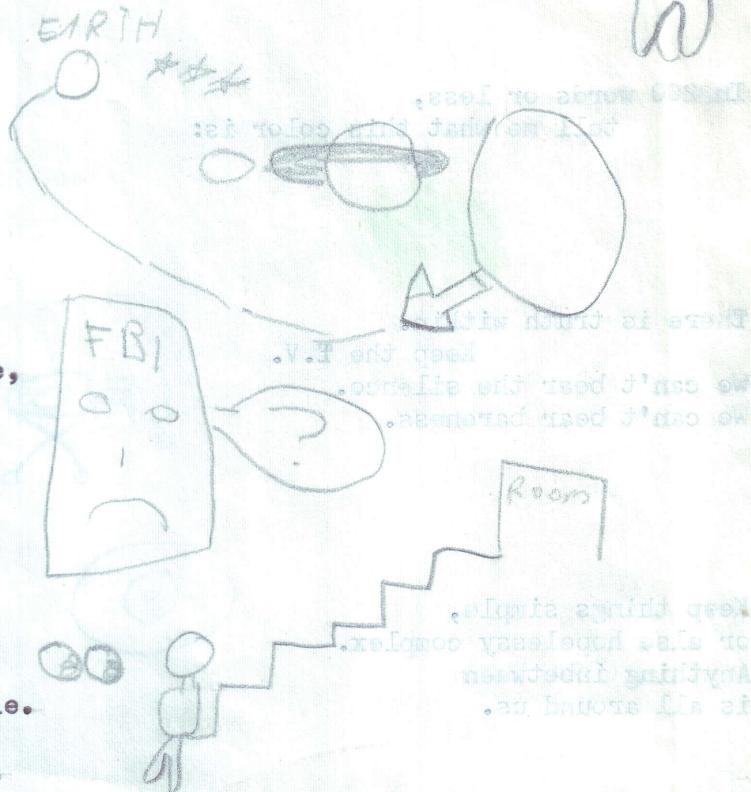

A prehistoric monster,
Came from outer space,
His name is Mister Doyle,
And he has an ugly face.
The F.B.I. is helpless.
Though 20 stories high,
What can we do?

Can we call...

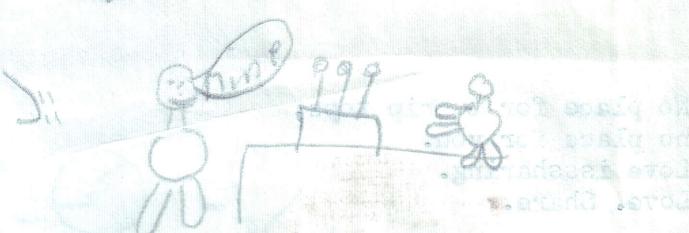

Call roterrooter,
That's the name,
And away goes Mister Doyle,
Down the drain.
Roterrooter!

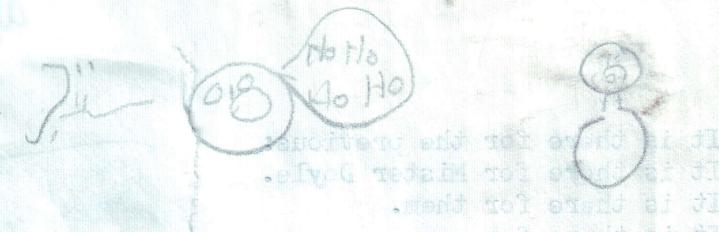

Do you see what I see?
Do you see what I see?
Mister Doyle, Mister Doyle.
Going upstairs.
To his room, To his room,
To his room.

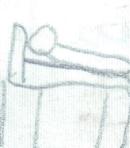

Do you smell what I smell?
Do you smell what I smell?
Mister Doyle, Mister Doyle.
Making a cake.
For Hillery, For Hillery
For Hillery.

Do you hear what I hear?
Do you hear what I hear?
Mister Doyle, Mister Doyle.
Laughing.
At Hillery, At Hillery,
At Hillery.

Do you say what I say?
Do you say what I say?
Mister Doyle, Mister Doyle.
Sleeping.
And you should too, You should too
You should too.

Words are foul
& ugly too!
Be sure of that
I can not write what I feel
I can not write what should be said
all is just a notion

In 200 words or less,
tell me what this color is:

There is truth within.

Keep the T.V.
We can't bear the silence.
We can't bear barenness.

Keep things simple,
or else hopelessly complex.
Anything inbetween
is all around us.

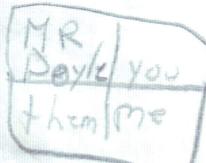

No place for turnip tops,
no place for you.
Love is sharing.
Love. Share.

It is there for the previous:
It is there for Mister Doyle.
It is there for them.
It is there for you.
Is it there for me?

Yes
